August/September Message from Driver Education Department:

We have been working closely with the CLIU #21 in finalizing the transition of the Parkland School District Behind-the Wheel Driving Program with the CLIU #21. Students will still receive the Classroom Theory course through Parkland High School.

During the summer, your son or daughter may have acquired a valid Driver's License Learner's Permit. Behind-the-Wheel driving lessons are offered at the Carbon Lehigh Intermediate Unit #21. The CLIU #21's Behind-the-Wheel Program consists of 6 hours of individual on the road skill training.
