

Parkland High School
Yearbook Photograph Requirements for 2009-2010
Prepared by
Par Key Adviser, Mrs. Kathryn Solderitch and
Digital Photographic Imaging – Frank Mitman Photographer
Approved by Mr. Richard Sniscak, Principal

For consistency in background, accuracy of color, and quality of the Parkland High School yearbook Par Key, seniors of the 2010 graduating class are required to have their yearbook photographs taken by Digital Photographic Imaging – Frank Mitman Photographer, our official school photographer. **There is no obligation for purchase.** These requirements were implemented for the 2009 yearbook, and the results for the senior section are exceptional.

For eight successful years, Frank Mitman has been the photographer for Parkland High School. He will offer opportunities for seniors to have their yearbook portraits taken either at his studio during the summer or at the high school in the fall. Each junior will receive an appointment card in the mail from the studio in May. **Students who choose “yearbook only” portraits taken at the studio or the school will be photographed at no charge.**

Please note that the following requirements are for the yearbook pictures only.

General Requirements for the Yearbook Photo

- Students must use the selected yearbook background for the yearbook photo only. Photographs not on the required background will not be accepted for the yearbook.
- The yearbook photograph must be a head and shoulders composition.
- Costumes and props such as hats, flowers, and scarves are not permitted in the photos. Also, hands may not appear in the photos.

Female Requirements

- Senior girls are required to wear solid, dark colored tops with 3/4 length or long sleeves. Acceptable styles include button down blouses, v-necks, scoop, or crew necks.
- The studio has black wraps in different styles available for girls to wear for the yearbook photographs

Male Requirements

- Senior boys are required to wear dark colored suit jackets, plain collared shirts and ties (patterned ties are acceptable).
- The studio has dark suit jackets and ties available for boys to wear for the yearbook photographs.

These requirements have been selected in order to produce a senior section of high quality and consistency for the 2010 yearbook.
