

November ARP Project Requirements

A foldable is the project for November ARP. We used class time on Wednesday, November 16th, to construct the foldable and apply the story element flaps. The rest of the project is their responsibility. Please consult the November ARP Project Rubric for further details.

This rubric is posted on our team website under " November ARP"

Here is the breakdown of the grading process:

Foldable project	_____ / 50 points
ARP Test score (doubled)	_____/20 points
ARP Planner (Blue sheet)	_____/ 10 Points

Total grade: _____ / 80 points

On December 2nd they must hand in the following items to receive the points possible:

- Foldable Project
- November ARP Rubric
- ARP Test print

** I collected their ARP Planners and will add them to their final project the day it is due **

If you have any other questions, please feel free to contact Miss Oplinger 😊
